MEMO

TO: Gary Marches, Chair, Champlain Islands Unified Union School District
FROM: Sue Ceglowski, Director of Legal and Policy Services
DATE: February 7, 2019
CC: CIUUSD Board Members
     Michael Clark, Superintendent

The Champlain Islands Unified Union School District ("CIUUSD") Board has requested a review of the Grand Isle Supervisory Union ("GISU") policies in preparation for CIUUSD's policy adoption process as a new unified union district. This is to summarize my findings after reviewing all of GISU’s required policies. As a reminder, the VSBA lists policies as “required” when a state or federal law or regulation states, or a regulatory agency advises, that a school district must have a policy governing its activities in a certain area.

GISU does not have two required policies. In addition, some GISU’s required policies should be updated. The following table reflects which policies are missing, which are in need of revision and which are up-to-date. Explanations regarding the need for revision will follow the table:

The following required policies are missing from GISU’s policy manual and should be included in CIUUSD’s policy manual:

**Proficiency Based Graduation Requirements:** GISU does not have this required policy. Recommend that CIUUSD adopt a policy based on the language of VSBA’s model policy D1.

**Travel Reimbursement Policy:** GISU does not have this required policy. Recommend that CIUUSD adopt a policy based on the language of VSBA’s model policy F1.

The following policies should be updated to be consistent with statutory or regulatory requirements:

**Harassment of Employees (D12):** GISU’s policy was adopted in 2015 and is missing language requiring that the witness, complainant and accused shall keep confidential matters related to the
charge of unlawful harassment. Recommend rescinding this policy and adopting new policy based on VSBA’s model policy which was updated in 2016.

**Tobacco Prohibition (E8):** GISU’s policy was adopted in 2007 and is lacking definitions of “tobacco substitutes” and “tobacco paraphernalia.” Act 14 of 2013 prohibits individuals under age 18 from possessing “tobacco substitutes” and “tobacco paraphernalia”, in addition to “tobacco products.” These changes address the issues of electronic cigarettes and vaping which have become a significant problem. Recommend rescinding this policy and adopting new policy based on VSBA’s model policy B7.

**Student Records (F5):** GISU’s policy is lengthy and contains details that should be included in procedures. Recommend rescinding this policy and adopting new policy based on VSBA’s model policy C1. Recommend that Superintendent develop procedures as set forth in the model policy (which could include details from the current policy).

**Firearms (F20):** GISU’s policy contains some of the language from VSBA’s model policy but not all of it. GISU’s policy is confusing because it contains a lengthy definition of “weapon” but prohibits bringing a firearm (not a weapon) to school. Recommend rescinding this policy and adopting new policy based on VSBA’s model policy C5. The model policy’s reference to the Commissioner of Education in the last paragraph should be changed to the Secretary of Education.

**Participation of Home Study Students in School Programs and Activities (F23):** GISU’s policy contains details that are more appropriately located in procedures. Recommend rescinding policy and adopting new policy based on VSBA’s model policy C6. Recommend that Superintendent develop and implement procedures that comply with State Board Rules including 4400 and 9200.3.1.

**Student Attendance (F25):** GISU’s policy does not require the Superintendent to ensure that the school board appoints a Truant Officer and ensure the appointment is recorded with the Clerk. This is an important responsibility which should be included in the policy. Recommend rescission of GISU policy and adopting new policy based on VSBA model policy. Recommend that Superintendent develop or review procedures to ensure they address the issues listed in VSBA’s model policy.

**Pupil Privacy (F27):** GISU’s policy contains the language from VSBA’s model policy but contains additional language which may be more appropriate to include in procedures. Also, GISU’s policy is confusing because there are two policy statement sections. Recommend rescission of GISU’s policy and adoption of a new policy based on VSBA’s model policy C8. Recommend that Superintendent develop or review procedures as set forth in the model policy.

**Federal Child Nutrition Act Wellness Policy (F28):** GISU’s policy was adopted in 2015 and does not contain updated requirements regarding food and beverage marketing, goals for physical activity, and goals for nutrition services. VSBA’s model policy was revised in 2017 based on changes to federal law and guidance from the Vermont Agency of Agriculture, Food and Markets, the Vermont Agency of Education and the Vermont Department of Health entitled
“Vermont School Wellness Policy Guidelines.” Recommend that GISU rescind its policy and adopt VSBA’s model policy, C9 (may be revised to meet local needs and reflect community priorities).

**Prevention of Harassment, Hazing and Bullying of Students (F24 and F24P):** GISU’s policy tracks the language of VSBA’s model policy. GISU’s Appendix A, listing the designated employees to receive complaints, does not include the specific names of individuals. Recommend that GISU include the names and titles of at least two designated employees in Appendix A of the policy.

**Student Publications (F15):** GISU’s policy was adopted in 2007. In 2017, the Vermont legislature passed 16 V.S.A. § 1623(i) which requires each school or its governing body to adopt a written policy consistent with the provisions of § 1623. VSBA’s model policy C11, Student Freedom of Expression in School-Sponsored Media, was developed in 2018 based on this requirement. Recommend GISU rescind its Student Publications policy and adopt VSBA’s model policy C11.

**Class Size Policy (G14) and Class Size Guidelines and Procedures (G14P):** GISU’s policy language tracks the language of VSBA’s model policy except that if refers to State Board Rule 2000 in the first sentence rather than the Vermont statute which requires this policy. Recommend that the first sentence of GISU’s policy be amended to read as follows: “It is the intent of the Board to comply with 16 V.S.A. § 242(5) requiring superintendents to work with school boards to develop policy guidelines for minimum and optimal average class sizes in regular and technical education classes.”

The following policy does not need to be revised but it requires the development of compacts:

**Title I, Part A, Parental Involvement (H7):** GISU’s policy mirrors VSBA’s model policy and does not need to be revised. Please note this policy requires two compacts: School District Parental Involvement Compact (to be developed by Superintendent or designee) and School Level Parental Involvement Compact (to be developed by Principal or designee). Recommend Superintendent and Principals develop compacts or review existing compacts. Model compacts are attached to VSBA’s model policy E1.

Please let me know if you have any questions regarding the initial phase of this review. As part of the next phase of my review, I will provide:

- An analysis of VSBA’s recommended policies compared to GISU’s policies - do you have all the recommended ones? If so, how old are they, do they need revision, etc?
- A proposed indexing system
- A recommended process for dealing with remaining policies

I look forward to meeting with the CIUUSD board on February 12 to discuss the results of the required policy review. Again, if you have any questions, please let me know.
CODE B3 - BOARD MEMBER CONFLICT OF INTEREST

Policy
It is the policy of the Grand Isle Supervisory Union that it is the ethical and legal duty of all school board members to avoid conflicts of interest as well as the appearance of conflicts of interest.

Definitions
“Conflict of interest” means a situation when a board member’s private interests, as distinguished from the board member’s interest as a member of the general public, would benefit from or be harmed by his or her actions as a member of the board.

“Majority vote”, for the purposes of this policy, means a majority of the full board less the individual board member(s) subject to a complaint of a conflict of interest under this policy. A quorum of the board would not be sufficient for the board to take action under the complaint section of this policy.

Implementation
In order to comply with the obligations thus imposed, the board and its members will adhere to the following recommended standards.

1. Board members will be familiar with the VSBA or similar Code of Ethics, and will observe their provisions.

2. Board members will be familiar with, and adhere to, those provisions of Vermont education law which define school board powers and govern board member compensation and public bidding processes.

3. A board member will not take any action which is intended to give the impression that he or she would represent special interests or partisan politics for personal gain.

4. A board member will do nothing intended to give the false impression that he or she has the authority to make decisions or take action on behalf of the board or the school administration.

5. A board member will not use his or her position on the board in any manner intended to unfairly promote personal financial interests or the financial interests of family members, friends or supporters.

6. A board member will not solicit or accept anything of value in return for taking particular positions on matters before the board.

7. A board member will do nothing intended to leave the impression that his or her position on any issue can be influenced by anything other than a fair presentation of all sides of the question.

Avoiding Conflicts
When a board member becomes aware that he or she is in a position that creates a conflict of interest or the appearance of a conflict of interest as defined in state law or this policy, he or she will declare the nature and extent of the conflict or appearance of conflict for inclusion in the board minutes, and will abstain from voting or participating in the discussion of the issue giving rise to the conflict.
Complaints of Conflict of Interest

When a conflict of interest claim against a board member is brought to the board in writing and is signed by another board member or a member of the public, and the board member against whom the claim is made does not concur that a conflict in fact exists, the following board procedures will be followed:

1. Upon a majority vote of the remaining board members, or upon order of the chair, the board will hold an informal hearing on the conflict of interest claim, giving both the board member and the person bringing the claim an opportunity to be heard.

2. At the conclusion of the informal hearing, the remaining board members will determine by majority vote whether to:

1. Issue a public finding that the conflict of interest charge is not supported by the evidence and is therefore dismissed;

2. Issue a public finding that the conflict of interest charge is supported by the evidence and that the member should disqualify him or herself from voting or otherwise participating in the board deliberations or decision related to that issue, as required by Vermont statute; and/or,

3. Issue a public finding that the conflict of interest charge is supported by the evidence and the board member should be formally censured or subjected to such other action as may be allowed by law.
