SUPERINTENDENT’S REPORT

General Information:
No written report was distributed. Barbara states she would like to develop a consistent format for board reports across the five schools to create a template for future written reports. She shares the following talking points:

- A review of the activities of her first few days in the office.
- A retreat is planned on July 9th to discuss decision making, protocols and other discussion topics coded from a year’s worth of administrative meeting notes.
- The Consolidated Federal Grant hasn’t been submitted yet. There are corrective action steps that need to be taken based on the Federal Grant audit. Barbara offers to review the audit with any board member. The 21st Century Grant needs to be recreated for the past year before grant funding will be restored.
- There will be two more retreat days in August and SWIFT will be invited.
- Barbara states she has joined the Vermont Superintendent Association Leadership Academy which takes place once a month for the next year.
- Barbara requests an executive committee meeting to review her goals and discuss technology and its funding.
- Future items to work on are updating GISU policies, negotiations and consolidation of Special Ed staff.

Andrew asks the status of the 21st Century Program and Barbara reply she is not sure. It will take a while to decipher where monies should be allocated and who should get what back. She states no one is employed under the 21st Century Grant anymore.

**PRINCIPAL’S REPORT**

Joe circulates a written report. *A copy of the report is attached to the minutes on file at the Town Clerk’s Office.*

The Secretary of Education report indicates necessary updates to North Hero School Policies to include policies not in the current handbook, especially Bullying & Harassment. Joe recommends this discussion for a model policy be added to the August agenda.

**Hiring Updates:**

Joe reviews the status for the four open positions:

- ¼ Teacher: A contract for Mindy Ransom is pending the completion of a background check.
- Music: The position has been offered to Kara Krikorian. Brief discussion on instrument lessons follows. The plan is to offer them in the coming year as part of the after school program.
- Special Education: The board is informed the current special educator, Mrs. Young, declined her contract. There are currently 10 qualified applicants. Beth & Joe will hold interviews in August.
- Custodian: Joe is waiting for a response from an individual who held the position in the past.

**Summer Information:**

Joe informs the board he attended the BEST Institute and reviewed what he learned and hopes to incorporate into the coming school year.

Joe is creating a staff handbook.

The school is still collaborating with SWIFT.

Eagle Care has been running a summer program that will continue into the school year as the after school program.
The stove needs replacing and Joe discusses his options for replacing it with the board.

Dave Davis motions to sign a contract for Mindy Ransom pending a positive background check & fingerprinting process. Bridget Timms seconds and the motion passes 4-0 with no further discussion.

**BOARD DISCUSSION**

**Signage Policy Discussion:**
Andrew states that following inquiries about the signs posted by the PTYO on school grounds during the last school budget revote the board became aware the school grounds do not fall under the town policy for sign placement. There is concern about misuse of future signs being placed on school grounds. A joint policy has been proposed which takes the current town policy and adds the school. Andrew reviews the Pre-Election & Election Day Political Sign & Polling Place Policy with the board. Discussion on wording, how a joint policy works & what would happen without a policy follows.
This will be added to the August agenda as a first reading.
* A copy of the policy is attached to the minutes on file at the Town Clerk's Office.

**King Fund Transfer:**
Andrew reviews the King Fund activities to date. A transfer to the FY15 general budget did not happen as planned. At this point the only course is to spend ahead on next year to offset the previous year deficit.
Discussion on year end budget status follows.

**BOARD ACTION**

**Approval of Line of Credit:**
Andrew presents a tax anticipation note for $100,000.00 at an interest rate of 0.95% from Peoples United Bank. This note is part of a loan agreement with the town requiring a second line of credit.

**Act 46 Presentation**
Andrew introduces Steve Dale, Executive Director of the Vermont School Board Association. Andrew states he asked Steve to give an overview of Act 46 and the steps required by the school boards to comply with the regulations as well as the resources available. This is an informational session only.
