Dear Parents, Guardians & Community members,

We have had another successful week at GISU and the member school districts. Last week we did surveillance testing of 95 Faculty and Staff members as a part of the Vermont Agency of Education and Department of Health COVID-19 monitoring program; and I'm happy to share there were no positive cases detected. As the talk of vaccines increases at the state level I think it is important for you to be aware of what is happening. Currently health care providers and residents of long term care facilities are eligible for and receiving the vaccine. After this round is complete the State of Vermont has made the decision to vaccinate by age brackets with the next group being residents 75 and over, followed by 70-75 and then 65-70. For details about the Vermont vaccine program please visit the [Vermont Department of Health's Vaccine page](#).

Robin Jarvis

I'm sorry to share that Robin Jarvis, a beloved kindergarten at the Grand Isle school for more than 30 years, passed away over the weekend. Our thoughts are with Robin's Family.
