North Hero School Board
Tuesday, September 4, 2018 | North Hero School

Board Present: Mason Maltais, Bridget Brisson, Jennifer Gariety
Administration Present: Joseph Resteghini (Principal), Rob Gess (Business Manager), Michael Clark (Superintendent)
Guests: None

Call Meeting to Order
M. Maltais called the meeting to order at 7:00PM.

Pledge of Allegiance
M. Maltais leads the pledge of allegiance.

Adjustment of the Agenda
M. Clark adds approval of the TAN (tax anticipation note), approval of the extension of the Abbey Contract, and news that the association has sent a letter to open negotiations. B. Brisson clarifies the letter came from the National Teachers Association.

M. Maltais adds all items under Board Business.

Citizen and/or Staff to be Heard
No one is present.

Consent Agenda
a) Approve the minutes from 8-7-2018:
   M. Maltais asks if all members present have had a chance to review the minutes; they have.
b) Approve new hire contracts:
   J. Restighini verifies M. Maltais has previously signed a contract for Tina Bly as a .2 librarian. M. Clark states that when the board motions to approve the consent agenda they are approving Tina Bly as a .2 librarian.

   B. Brisson motions to approve the consent agenda. J. Gariety seconds the motion and it passes 3-0 with no further discussion.

Reports:
a) Superintendent’s:
   A written report has been distributed to the board via email.

   M. Clark states that over the next many months the North Hero School Board will slowly be doing less as board operations transfer to the CIUUSD board. A description will be included in next month’s packet.
b) Principal’s:
A written report has been distributed to the board for review.

J. Resteghini gives a brief update on the following:

- Facilities: The gym floor is completed. He is working to get the floor striped now.
- Data review: A spreadsheet has been distributed to the board showing data points on social emotional screening taken from student surveys, parent surveys, office discipline referrals, health nurse visits, ASPAC scores, and PBIS rewards system. They show that the growing population of students needs more support in their emotional and social learning. This reflects the same growing needs shown across the state. J. Resteghini reviews what that might look like in our school and asks the board to think about these needs as budget planning for the next year starts.
- Safety Grant:
  - Kelly Brothers of Williston will be installing a uniform interior locking system later this month.
  - Reconfiguration of existing materials under the grant includes a ballistic coating that covers existing glass. This needs to be done on the big windows on the front on the building.
  - Nick Kinney of Wright & Morrissy will install the new panic frame to make the door up to code. J. Resteghini thanks Nick for donating his time.
- King Fund: J. Resteghini would like to use the Kind Fund money for music lessons this year. He would like to board to consider how the money should be used in the last year of the North Hero School District. Discussion on the music program follows. The money would fund after school lessons.
- School Property: J. Resteghini asks the board to consider what should happen to the 10 acres of land the school owns when the school becomes part of the CUUSD district. J. Gariety states in order to honor the intent of the gift of the land to the school the land should be gifted to the town and stay a North Hero asset. M. Clark offers to research the issue and bring information to the board at the next meeting. He will consult with the school lawyer.
- Student Handbook: J. Resteghini reviews the few changes in the book including an update on the language for suspension when a child hits another child. He asks the board to approve the updated handbook.

Discussion on the King Fund follows including a review of a recent policy change. M. Clark will research the fund and follow up with the board at the next meeting.

Discussion on approving music lessons from the Kind Fund follows; currently there is $16235.00 in the fund and $1800.00 has been requested for lessons. The board would like J. Resteghini to have discretion for hiring a suitable tutor to ensure lessons are offered.

M. Maltais motions to approve up to $3720.00 to be utilized out of the King Fund for music lessons for North Hero School. J. Gariety seconds the motion and it passes 3-0 with no further discussion.
B. Brisson motions to approve the student handbook with alterations for the August 2018-July 2019 school year. J. Garity seconds the motion and it passes 3-0 with no further discussion.

c) Financial:
R. Gess states the budget to actual is for the new fiscal year so there are many zeros as they are on the front end of procurement. Revenues will start coming in from the state at the end of this month. The first high school tuition bill has come in and a new process is in place to track the tuition payments.

Payroll is transitioning from Megan Deviny to Michelle Hetling to comply with segregation of duties between HR and payroll. Procedures are being updated to make payroll reporting uniform across the county.

The GISU is moving toward a unified chart of accounts starting July 1, 2019. Some discussions will need to happen as to how to transfer but R. Gess is waiting for guidance from the AOE.

J. Garity asks about the service contract showing on the budget to actuals; R. Gess states it is the encumbrance amount for Pest Pro.

J. Garity asks about food service salary amounts and how they are shown on the report; R. Gess states they are part of the summer school program so are shown separately.

M. Maltais asks to discuss the tax anticipation note at this time.

R. Gess states the amount of the note is $190,000.00 and is based by Peoples United Bank on the estimated cash flow projections for FY19 and historical data. The note has been delayed as the FY18 audit is not completed.

The board reviews the note.

R. Gess gives an update on the audit:
- The review is completed for all towns except Alburgh.
- Adjustments to North Hero’s FY16 forward balances are needed so final journal entries are still being processed.
- The FY18 audit is scheduled for December with preliminary reports due by the end of January 2019.

J. Garity makes a motion to approve the tax anticipation note. B. Brisson seconds the motion and it passes 3-0 with no further discussion.

All members present sign the note.
Board Business

Approval of Bills for Payment
J. Garity motions to approve bills in the amount of $14,056.00. B. Brisson seconds the motion and it passes 3-0 with no further discussion.

Sub Pay Rates
M. Clark states the current daily rate for substitutes, $75, just barely pays the minimum wage if subs take an unpaid lunch and break. However, January 1st, 2019, the minimum wage increases to $11.50 and the current daily rate will not meet the minimum wage requirement. M. Clark distributes data showing subs in the neighboring school systems pay at least $90 a day. The schools in the GISU do not need to all set the same rate. A rate of at least $87 a day is necessary starting January 1, 2019, to meet minimum wage requirements. The minimum wage increases again on January 1, 2020, to $12.50 which means the daily rate would need to $94 a day. This should be kept in mind during budgeting.

M. Clark recommends the board at least raise the rate to meet the rate other districts are offering, $90 a day. This is a 20% increase over budgeted amounts so substitute lines are likely to be overspent. M. Maltais states there is a budgeted amount for a long-term sub that is not being used in North Hero’s budget.

Brief board discussion follows.

M. Maltais makes a motion to raise the substitute pay to $100 per day. J. Garity states the jump is too large and should not go over $95 a day. Discussion follows.

B. Brisson seconds the motion made by M. Maltais. The motion carries 2-1 with no further discussion.

Audit Update
R. Gess gave an update under Reports: Financial.

Review Timeline for FY20 Budget
The timeline is proposed in the school board packet. At the October meeting M. Clark would like to hear from the board their budget priorities and traditionally how North Hero has communicated them. These will be incorporated into the budget that will then be presented to the CIUUSD.

Carousel Meeting with CIUUSD Proposal
M. Maltais recommends a carousel meetings be scheduled for Grand Isle, North Hero, and Isle La Motte boards with the CIUUSD board as they begin to need to meet more frequently and share information between the boards. M. Clark reviews with the board what that might look like.

M. Clark states they are trying to gauge interest of the individual boards before beginning sorting through logistics.
The board agrees they are open to the idea but have little flexibility in changing the day of the week or time of the meeting.

Approval of Tax Anticipation Notice
This was addressed under Reports: Financial.

Abby Group Contract Renew for FY19
R. Gess states he needs a motion to approve extension of one year for the contract. There are no changes to the contract that they signed last year and they are in year two of the contract they entered in FY16 with up to four renewals allowed. Bids for new food service contracts will be sent out in FY 20 as the state has instructed all SUs to go to a fixed system cost which required a new bidding process.

J. Gariety makes a motion to approve the Abby Contract for FY19. B. Brisson seconds the motion and it passes 3-0 with no further discussion.

Communication from the Association
M. Clark shares a letter from the Association to the school board asking to open negotiations. The negotiations will be handled by the CIUUSD. Brief discussion follows.

Closure
Setting the next agenda
The next meeting is scheduled for October 4, 2018.

Agenda items:
- Budget priorities
- Land Transfer from school to town
- King Fund

Adjourn
B. Brisson motions to adjourn at 8:21PM. J. Gariety seconds the motion and it passes 3-0 with no further discussion.

Respectfully Submitted, Corinn Julow

Board Education—Handling Complaints
As a board member you may be approached by community members with complaints. It is important for you to be able to address complaints in a way helps resolve the issue and maintains your ability to hear a complaint if it reaches your level. Included in your packet this month is the VSBA’s guidance from the Essential Work of School Boards document and the GISU policy for addressing complaints.

VSBA Regional Meeting
I attended the 2018 VSBA Chittenden/Grand Isle and Franklin Regional Meeting on September 5. Secretary Dan French was at that meeting and shared some of his current thinking with the board members in attendance. I have attached the slides he used for his talk. My take away is under Dan’s leadership the AOE is going to be more design focused, I took from Dan’s talk that he believes education in Vermont is heading into new territory and that solutions which have worked in the past may not be solutions that will work in the future. Dan mentioned several times that he believed the role of the AOE is to be a leadership organization. He talked about working in partnership when possible with the VSBA and the VSA. Dan mentioned that we was considering a restructure within the AOE. On September 11, 2018 the AOE announced that Deputy Secretary Amy Fowler would be leaving the AOE on Friday September 14, 2018.
I have also attached slides that were presented at the meeting which were designed to provide an orientation to Act 173 (Commonly know as the Special Education Restructuring Law). Act 173 represents a major change in how we provide/fund special education services. I think the slides give a nice overview.

Principal Goals
I have requested that principals provide me with 2-3 goals they are working on for the year by September 30th and to meet with me to review those goals by October 5th. If there is something specific, as a board chair, you think your principal should be working on and would like me to be sure it is part of my conversation with the principal please call me as soon as you.

Websites
We continue to work on rolling out new websites. The new Folsom, GI, and GISU sites are up and live (in some cases the old sites are not down yet). CIUUSD and North Hero are built and ready to go live but there is some technical difficulties with existing websites which need to be addressed before they can go live. Megan DeVinny is working with principals for Alburgh and Isle La Motte on finalizing those pages.
VSBIT and VEHI Annual Meetings
The annual meetings for VSBIT and VEHI are scheduled to take place on the morning of October 19, 2018. Boards can assign a specific member to vote on their behalf, assign a proxy to another person attending the meeting, or assign their proxy to the VSBIT or VEHI board. I will be attending the annual meeting and could be the proxy if boards would like me to. I am however the Superintendent representative to the VSBIT Board of Directors and am on the ballot for this meeting.
5.A. HANDLING COMPLAINTS

Board members often receive complaints from staff, parents, and/or community members. It is important to have a structure in place to formally respond to these complaints. The steps outlined below will help the Board deal with complaints.

First and foremost, the Board should adopt and utilize a complaints policy and administrative procedures. This clarifies the "Chain of Command" through which complaints are received and responded to. Generally, the complaint is directed first to the teacher for recourse. If not satisfied, the next level would be the principal. The third step is the superintendent. The Board is the final level of appeal.

Individuals often erroneously believe they should register their complaint directly with the Board. It is the Board member’s responsibility to help the complainant use the system below. Board members should not intervene at the first levels of recourse.

**STEP 1:** Complaintants are to first bring complaints to the individual concerned.

**STEP 2:** If the problem cannot be resolved with the individual concerned, it should be brought to the attention of the immediate supervisor or administrator. The complaint should be in writing stating the issue and supporting facts. If the complaint involves an employee, the individual employee shall be given opportunity for explanation, comment, and presentation of the facts as he/she sees them.

**STEP 3:** If the issue is not resolved by the involvement of the immediate supervisor, the complainant may refer the issue to the Principal for his or her review and decision.

**STEP 4:** In the event the Principal’s review does not lead to a satisfactory resolution, the complainant may submit the issue to the Superintendent for review and decision.

**STEP 5:** If after completing the above steps the complainant feels that he/she was not treated in a manner consistent with policy, or that the Superintendent did not act in compliance with policy, he/she may request in writing to the Board Chair review by the Board at its next regularly scheduled meeting. The Board review shall determine if actions taken by the district were in compliance with policy. This review may take place in executive session if appropriate. If there were no policy violations the matter is deemed closed. However, the Board may consider revising policy for the future. If the Board determines violation of policy it shall instruct the Superintendent to regain policy compliance. Board decisions are final.
CODE D10 - PUBLIC COMPLAINTS ABOUT PERSONNEL

Policy

It is the policy of the Grand Isle Supervisory Union (GISU) to see that complaints about school personnel are considered in a timely manner that is fair to all parties. The District places trust in its employees and desires to support their actions in such a manner that employees are freed from unnecessary, spiteful, or unjustified criticism or complaints.

Resolving Complaints

The complainant shall be encouraged first to bring a complaint to the individual concerned. If the problem cannot be resolved with the individual concerned, it should be brought to the attention of the immediate supervisor or administrator. The complaint should be in writing stating the issues and supporting facts. The individual employee involved shall be given every opportunity for explanation, comment, and presentation of the facts as he/she sees them.

If the issue is not resolved by involvement of the immediate supervisor, the complainant may refer the issue to the Principal for his or her review and decision. In the event the Principal’s review does not lead to a satisfactory resolution, the complainant may submit the issue to the Superintendent for review and decision.

In cases of alleged discrimination, the complainant should follow the procedures accompanying anti-discrimination policy (C6).

Appeal to the Board

If the above steps do not resolve the concern of the complainant, he/she may request a session of the Board for the purpose of reviewing the Superintendent’s decision. If the School Board decides to hear the request of the complainant, it shall invite all parties involved including the appropriate school and supervisory union administrators to attend a meeting for purposes of presenting facts, making further explanations, and clarifying the issue. The Board shall conduct such meetings in a fair and just manner and shall render a decision.

It is the intent of the Board that the rights of employees under collective bargaining agreements and Vermont law be protected through the administration of this policy.

Purpose of Act 173

The purpose of Act 173 of 2018 is to enhance the effectiveness, availability, and equity of services provided to all students who require additional support in Vermont's schools.

Using Research to Inform Legislation

- In 2016, the General Assembly directed the Agency of Education (AOE) to contract for two studies.
  1. **UVM Study**: To evaluate current special education funding model and recommends a model that provides incentives for desirable practices and stimulates innovation in the delivery of services (2016 Act 148 Sec. 3).
  2. **DMG Report**: The second study compared current practice to best practices for special education service delivery (2016 Act 148 Sec. 4) in 10 representative Supervisory Unions/Supervisory Districts.
Who is this law intended to support?

1. Students with an individualized education program (IEP);
2. Students with a 504 plan under the Rehabilitation Act of 1973;
3. Students without an IEP (1) or 504 plan (2) but whose ability to learn is negatively impacted by a disability or by social, emotional, or behavioral needs;
4. Students who are English learners;
5. Students who read below grade level.

UVM Study- Current Funding System Problems

Stakeholders reported the current funding model to be:

1. Administratively costly for both the state and local SU/SDs
2. Misaligned with current policy priorities of MTSS and PBIS
3. Incongruent in regards to incentives for identification and placement of students
4. Discouraging of cost containment
5. Unpredictable and lacking transparency
UVM Study- Solutions offered by Census Funding Model

The census model addresses these concerns because it:

1. Allows increased flexibility in the use of funds
2. Allows the use of funds for all students, not just those on IEPs, to provide flexibility for early intervention if needed
3. Is simple and predictable
4. Aligns with the policy priorities of serving students who need additional support in both general and special education

DMG Report-
Opportunities for Improved Service Delivery

The District Management Group (DMG) identified five opportunities for improving services and supports for students who need additional support:

1. Ensure elementary Tier 1 core instruction meets the needs of most students;
2. Provide additional instructional time outside core subjects aligned to the core instruction, to students who struggle, rather than providing interventions;
3. Ensure students who struggle receive all instruction from highly skilled teachers;
4. Create or strengthen a systems-wide approach to supporting positive student behaviors based on expert support; and
5. Provide students having more intensive support needs with specialized instruction from skilled and trained experts.
What does Act 173 Include?

1. Establishment of an Advisory group to shape proposed rules and procedures
2. A several year transition to the new funding system providing time for rule-making, procedure development and professional learning.
3. Resources to support implementation of the law and professional learning

Advisory Group

Act 173 creates a census-based advisory group that will meet from September 2018 through June 2021 that has three duties:

1. Advise the State Board of Education on the development of rules to implement the act; (adopted in 2020, in effect 2021)
2. Advise the AOE and supervisory unions on the implementation of the act; and
3. Recommend to the General Assembly any statutory changes necessary or advisable to meet the goals of the act.
What's Changing: Funding Model

Today
Special education is funded through a reimbursement system. Overall the state funds 60% of all special education costs through three mechanisms:
- Mainstream Block Grant
- Special Education Expenditure Reimbursement
- Extraordinary Service Reimbursement

Future
Starting in Fiscal Year 2021 the State will replace Mainstream Block Grant and Special Education Expenditure Reimbursement with a census-based grant.
- The state will set a per student (ADM) amount
- SU/SDs will receive a grant equal to the per student amount times the 3-year average ADM count

What's Changing: Funding Model

- SU/SDs will use these funds for services outlined in IEPs and to ensure compliance with IDEA fiscal requirements
  - If all IEP requirements are met, SU/SDs can use the funds to provide other services to kids, such as MTSS and other preventative services, that were not allowable for reimbursement under the reimbursement model.
  - All remaining costs will be the obligation of the SU/SD
- Extraordinary cost relief will be available for students with high individual costs at a new threshold of $60,000 that will increase annually by inflation.
What’s Changing: Independent Schools

Act 173 also addresses special education costs provided to independent schools.

- Independent schools may bill LEAs for costs required by an IEP that exceed the general tuition rates.
- An LEA may receive extraordinary cost reimbursement if the individual students’ special education costs at the independent school exceed the threshold for reimbursement.
- Provisions related to independent schools do not go into effect until July 1, 2022.

What’s Not Changing: Funding Model

Some aspects of state special education funding were not addressed by Act 173 and will continue in their current state:

- Annual grant funds for Best/Act 230,
- Annual grants for consultants for students with the most significant and complex disabilities, for student that are blind or visually impaired and for students that are deaf or hard of hearing.
- Essential Early Education grant program that provides SUUs with funds for 3-5 year-olds who are eligible for special education will not change.
Resources for the Transition:
Professional Learning in 2018-19

1. Underway- A contract to develop a statewide blueprint/plan for early literacy
2. Underway- A contract to provide regional training for 12 SU/SD for high leverage instructional strategies;
3. Underway- A contract for regional training and technical assistance on building schedules
4. In Procurement: A contract in process for professional learning on effective first instruction for students who struggle in math.

Resources for the Transition:
Professional Learning in 2019-20

This year, the AOE will work with the Advisory Group to develop a state-wide, coordinated professional learning plan for anticipated stakeholder groups:
- Finance Strand: SU/SD Special Education Financial Staff
- Instructional Strand: SU/SD Instructional Staff including general education and special education
- Communications Strand: Community members, particularly those who have children needing support, legislators and educators.

We anticipate a high-level plan being disseminated to stakeholders in November 2018.
Resources: Weighting Study

Act 173 directs AOE to contract for a weighting study analyzing factors that should be used to increase the census grant to supervisory unions, based on what may cause an increase in the number of students needing support.

A report of the findings of the study is due to several legislative committees on or before November 1, 2019.

Closing Thoughts for Board Members

1. Send your questions and concerns to VSBA to inform Advisory Group work
2. Ask your Superintendent about their plans for professional learning in 2019-20 to prepare
3. Include budget items to support professional learning in 2019-20
4. Ask for a presentation on student learning outcomes for students with disabilities

Representative vs. Design Strategies

Representative Strategy

- Used when the new solution is already in the repertoire of solutions, when affirmation of stakeholder values or current practices supersedes the need for change.

Design Strategy

- Used when an entirely new solution needs to be created; a design team might not be representative, but composed of small group that can rapid prototype, and then the prototype is scaled by stakeholders in real organizational process for refinement and utility.
Accountability vs. Responsibility

- Accountability can be seen as a state function to ensure quality and equity across the entire system.
- Responsibility can be seen as a local function fulfilled by school boards enacting their fiduciary responsibility to the public:
  - Ensure public funds are handled appropriately
  - Through policy, determine the desired outcomes for students, and ensure the organization obtains these desired outcomes
  - Hold the superintendent responsible for organizational performance and student outcomes

We need to design effective school board governance models and scale them.
Restructuring the AOE

- The AOE will be restructured somewhat to improve its effectiveness while also being able to provide design leadership for the system.
- New structures, new tools, and new spaces to support "the work"
  - Getting clarity on "the work"
  - New org chart to support the work
  - New tools to visualize the work: help desk/CRM system across the entire enterprise
  - Now evaluating moving to a new building. Space will be leveraged to support the work.
- The AOE will need to use its "convening authority" so that good ideas can be percolated/tested from the field on up, and then scaled responsibly and rapidly across the entire system as best practices.
MEMO

To:    VEHI Member School Board Chairs, Superintendents and Business Officials
From: Laura Soares, President
Date:  September 4, 2018
Re:    VEHI Annual Meeting Notice

The Vermont Education Health Initiative (VEHI) will hold its Annual Meeting on Friday, October 19, 2018 at 8:15 AM at the Lake Morey Inn in Fairlee, Vermont. Included with this Memo are Exhibit A: Notice of the 2018 Annual Meeting and a copy of the Minutes of the 2017 Annual Meeting.

Please note, there is no action item requiring a vote of the membership on the enclosed Agenda. Act 11 of 2018 changed the composition of the VEHI Board effective October 1, 2018. Under this Act, the VEHI Board will consist of six members, three appointed by VSBA and three appointed by Vermont-NEA. The newly appointed VEHI Board will commence operations October 1, 2018 and be encouraged to attend the Annual Member Meeting. Representatives of the Department of Financial Regulation plan on attending the Annual Meeting to respond to questions on their role in implementing Act 11.

A school district is a member of VEHI, and therefore eligible to vote at the upcoming meeting if there is a vote, if it has a signed Health and/or Dental Member Agreement on file with VEHI by 4 P.M. on October 5, 2018. The membership list is posted online at www.vehi.org, and will close at 4 P.M. on October 5th. Members of both the Health and Dental programs have two votes. Members may vote in person by designating an authorized representative to attend the meeting or by vote via proxy by appointing the VEHI Board. We ask each member to complete Exhibit B: Proxy/Certificate of Authority, enclosed, and send it ahead of the meeting to the following address. This will allow the authorized representative to receive his/her voting cards in an expedited manner at the meeting on the 19th.

LAKE MOREY INN

Fairlee, Vermont

Board and Staff Present:  Tracy Wrend, Elizabeth Fitzgerald, Nicole Mace, Jeff Fannon, Mark Hage, Laura Soares, Tim Vincent, Gillian Pieper, Lisa Locke, Shevonne Travers, and Angela Tremblay

The Meeting was called to order by Chair, Tracy Wrend at 8:30 a.m.  Tracy introduced members of the current board and staff.

Items 1-3

Readings of the Roll Call of Members, Proof of Notice of the 2017 Annual Meeting and the Minutes of the previous meeting were waived. Winton Goodrich, made a motion and Joanne LeBlanc, seconded the motion to waive the readings. The vote to waive was unanimous, the motion passed.

Item 4

Reports from the Officers and Directors were included in the VEHI 2017 Annual Report, which is posted on the VEHI website. Prior to the meeting, members were notified electronically how to access the report. Additional copies were available at the Meeting. Tracy Wrend drew member’s attention to the Mission of the organization included in the report. Winton Goodrich made a motion and Amy McMullen, seconded the motion to accept the VEHI Annual Report. The vote to accept was approved, the motion passed.

Item 5

Tracy asked President Laura Soares to summarize the work of the Vermont Education Health Benefits Commission work to date. The Commission is charged with looking at the advantages and disadvantages of a single statewide health benefit plan for school employees, considering a variety of factors, including the structure and composition of the VEHI Board. The Commission has met four times and requested an extension of the due date of November 15th for its report to be complete. The structure and composition of the VEHI Board has not yet been discussed.
VEHI provided the Chair of the Commission a letter of introduction and information on VEHI’s current structure, regulatory structure, Bylaws etc. Meetings are open to the public-agendas and minutes are available on the Vermont Department of Financial Regulation website.

Tracy asked Nicole Mace, who is on the Commission, and Jeff Fannon who has a designee on the Commission, if they wished to add anything, neither did.

Item 6

Tracy Wrend opened the meeting to questions concerning VEHI Programs.

A request from member Laurie Childers of Addison NWSID was made for a brief overview of why the Commission exists. Tracy explained it was included in Act 85 which was passed by the Legislature in the veto session in June.

Jen Botzojorns requested photos in VEHI materials, such as the Benefit Guides, reflect greater diversity. Laura Soares acknowledged that this had been identified by staff as well, and increased efforts are being made to capture the diversity of those we serve.

Tracy Wrend announced there were 146 votes represented at the meeting. The Board has 39 votes and the Board will vote for the slate.

Tom Candon made a motion, seconded by Winton Goodrich, to reassert the vote taken last year by the membership on the current board composition, to inform the VEHI Commission discussion. Tracy requested voting members hold up their voting cards as the vote was taken. The motion carried with four votes against. Beth Pearce requested her vote on behalf of VSTRS be reflected in the minutes as a vote against the motion.

Laurie Childers inquired as to why the Annual report did not include a balance statement. Laura Soares responded that it has been historical practice to include the Combined Statement of Revenue in the Report and make the full audit available upon request.

Laurie Childers asked for a summary of the rate setting process and the role of DFR, which Laura provided.

Item 7

As there was no further business, the meeting adjourned at 8:55 a.m.

Respectfully submitted,
