18 June 2020

Dear Parents, Guardians, & Community members,

Congratulations on a successful completion to the 2019-2020 school year. We know this has been a particularly challenging year and appreciate your hard work and flexibility. We all found ourselves in new territory and I am proud of the collaboration and communication between all stakeholders.

I'd like to invite you to a Community Hangout on Wednesday June 24, 2020 at 6:00 p.m.; which we are calling a Community Discussion about Lessons Learned and a Strong Start. Our plan is to share with the community an overview of where we have been, what we have learned, and to begin a conversation about how we plan to develop the plan to open in the fall safely and successfully. The hope is community members will join the conversation and share their perspectives with us so that the plan we develop for the 2020-2021 school year builds on our successes and improves the challenges we experienced. It is hard to believe that we only have about 70 days until the new school year begins for students. This session will be facilitated by our Director of Curriculum, Megan Grube.

The Google Hangout information for our Community Discussion about Lessons Learned and a Strong Start is below:

Thank you again for helping to ensure all members of the GISU learning community are curious, creative, courageous and capable of pursuing their aspirations in a diverse and ever changing world. We hope to see you on Wednesday.

Sincerely,

Michael J. Clark
