(b) a spouse's health benefit plan, or
(c) certain governmental plans, such as Medicare Part A, CHIP (Children's Health Insurance Program), Medicaid, and most TRICARE coverage for military veterans.

All proof of enrollment must show the applicable coverage period.

The employee must provide the certification of other medical coverage within the following deadlines:

- At annual enrollment, the certification of other medical coverage must be provided by *October 25, 2019*.

I elect to waive medical plan coverage and receive a Cash-in-Lieu payment. I have listed the other permissible health plan coverage in which my eligible family members (tax dependents, including spouse, if applicable) and I are enrolled.

(If you have additional dependents, please use the reverse side of this form to enter the information requested above.)

I understand that by not enrolling in plan coverage now, the opportunity to enroll later is limited as explained above. I also understand my eligibility to receive the CIL payment requires my family members (spouse and tax dependents) and I ***remain enrolled in other permissible group health plan coverage*** (that is not individual health insurance). I agree to notify *Megan DeVinny* within *30 days* if *one or more of my family members or* I lose the coverage identified above.
