Discussion Items - Issues the Board needs to discuss and deliberate, but upon which no action is taken at this meeting.

Action Items - Issues that require the Board to make a decision by vote, may have been discussed over several meetings prior to this point.

Consent Items - Routine matters that need no discussion by the Board, but require Board approval. They are grouped together as a single agenda item. Background materials are provided in the Board packet to be reviewed ahead of the meeting. If there are no concerns, they are approved with a single vote. Any member can request the Board remove an item to be discussed and voted on separately. This frees up time at meetings.
