6 October 2021

Dear Parents, Guardians & Community members,

Community Presentation Talking About the Stressors of Resuming School in a Continued Pandemic

PLEASE JOIN US TONIGHT!

At the community meeting this evening, Child and Adolescent Psychiatrist and Folsom parent Rob Althoff, MD, PhD will be available to discuss the stressors of resuming school in a continued pandemic on children, parents, and teachers. Questions will be welcome. You'll recall that in the spring, Dr. Althoff presented Emotional Health Effects of the Last Year and Beyond. Dr. Althoff talked about the effects of the pandemic on the emotional health of youth and the adults who care for them. He also talked about what kinds of supports our communities may need in the summer, and what additional care may need to be taken as we re-enter school in the fall. Dr. Althoff's presentation from the spring is about 30 minutes long and is [available here](#) if you would like to view it. The GISU thanks Dr. Althoff for his generous gift of time and expertise talking about this important topic. We hope you will join us for this important [presentation on October 6, 2021 at 6:00 p.m.](#)

Community Meeting

The access to the Superintendent's weekly Community Meeting is available below.

Wednesday, October 6, 2021, 6:00 p.m
