Dear Parents, Guardians & Community members,

In this week's community letter I need to share that Vermont Schools have hit the milestone of having more than 500 confirmed cases of COVID 19 since the start of the pandemic ([VT Department of Health School Data](#)). The South Hero School District was notified that a member of the Middle School Learning Community tested positive this week. As I've shared repeatedly I'm proud of what the faculty, staff, students, parents, and community have done to keep transmission from happening at schools. It is important that we continue to keep up with the routines, practices, and procedures which are keeping everyone safe. This is hard work and I'm grateful for everything everyone is doing.

Last week's Report Card Input Session was fantastic. I'd like to thank Megan Grube, our Curriculum Director, for the way she explained a complex topic and the community who attended for their great input and questions. If you have questions about proficiency based report cards and why it is important for us to move in this direction I strongly encourage you to [watch the presentation](#). Please reach out to Megan or me any time if we can help.

## **Community Meeting**

This week's Community Meeting will focus on current conditions in GISU and Vermont. As always there will be an opportunity for any questions. The link for the Superintendent's weekly Community Meeting is available below.
