Dear Parents, Guardians & Community members,

One of the most exciting aspects of being a GISU student is the anticipation of being able to choose a middle or high school that best suits your aspirations in the diverse and ever-changing world. To help facilitate the conversation of available options, the GISU is excited to host a Tuition Students Information Session!

On the evening of Thursday, February 10 at 7 p.m., the GISU will host an online school fair that will have many of the off-island middle and high schools in attendance. This will give students and their families an opportunity to chat and ask questions with representatives from those schools.

Below is the ZOOM information for the meeting:

Meeting ID: 734 7382 8101

Passcode: iyBkp8

We are looking to get an idea of participants to prepare our off-islands representatives. Please take a moment to RSVP to the event, using this [survey](#).

If you are unable to attend The Tuition Students Information Session, or are just looking for more information about the regional schools Islands students attend, we have worked in partnership with receiving schools to provide this [Grand Isle Supervisory Union Guide to School Choice](#) electronic brochure.

If you have any questions about this event, please reach out to your local guidance counselor or to GISU Parent Liaison, Dave Mills at dmills@gisu.org or (802)372-6921 ext. 2008.
