Dear Parents, Guardians & Community members,

We are starting to see a bubble of Covid-19 positive cases in Grand Isle County Schools. This is not an unexpected development and was anticipated as a possibility when we adopted the new VT Agency of Education and Department of Health Guidance. One of the most important things the community can do to help us keep schools open to in-person learning is to please be sure to keep your children home from school if they are ill. Families should also be aware we are also seeing a stomach bug and winter cold making its way through the schools. We have ample supplies of Covid-19 Rapid Antigen Test Kits available at each of the schools. Please reach out to your local school health assistant or nurse if you need a test kit(s). Below are some helpful resources.
