6 April 2022

Dear Parents, Guardians & Community members,

It looks like spring is here. This week we are seeing robins on the playground and the sun is working hard to dry the ground out. Don't forget we have Spring Break from April 18-22. If you are traveling and need rapid antigen tests for your children, we have them at school. Please reach out to the school's health assistant any time if you need a testing kit. Kits are available for students who have symptoms or even as a surveillance measure for students who are asymptomatic.

In case you missed last week's community letter, below is a chart that is a one stop location for resources related to Covid-19. It is fair to say that in the last few weeks we have seen an increase in illness - both Covid-19 and not Covid-19 related. Please be sure to keep your child home when they are sick for any reason. The end of April/beginning of May usually coincides with a time in schools when illness tends to trend down. I'm hopeful this is a trend that we will see this year.

Community Meeting April 6, 2022

Below is the link for tonight's Community Meeting. I do not have an agenda for this evening but will be available for community members to drop in and chat or ask questions. If it stays as nice as it is right now, perhaps I'll share from the deck!

Wednesday, **April 6, 2022**, 6:00 p.m
