Dear Parents, Guardians & Community members,

In coordination with the Vermont Department of Health, Vermont Emergency Management, and the Agency of Education, Grand Isle Supervisory Union held a vaccination clinic at Grand Isle School on Tuesday, May 25, 2021. The coordinators from VDH were happy with turnout and shared that of all the clinics they have held the clinic at the Grand Isle School had the largest proportion of walk in appointments.

We hosted student surveillance testing for students last Tuesday I'm pleased to share that of the nearly 100 tests, none came back positive. Our next day of surveillance testing for students is June 8, 2021.

Please remember tonight's community meeting will focus on community input for state and federal grants. Every year, the GISU applies for and receives several state and federal grants. Tonight's community meeting will allow you to give input on ways in which we can use these funds to ensure all students are curious, creative, courageous, and capable of pursuing their aspirations in a diverse and ever changing world

Off Islands Students --Important Deadline Approaching

Congratulations to our CIUUSD sixth graders and our Folsom and Alburgh eighth graders as you prepare to move on to [middle/high school](#) next year. While many students know where they will be attending [middle/high school](#) next year, there are some who have not made that decision. Here is a [link to some helpful information](#), gathered by the GISU school counselors, that may help your decision making.

There are two forms that need to be filled out prior to **June 30, 2021** and sent to our central office in order for us to pay tuition for your child. One form proves that you are a resident of Grand Isle County and the other confirms where your student is attending school (tuition voucher). Unless you move, the residency paperwork is a one time requirement. On the other hand, the Tuition Voucher is an annual process until your child graduates from high school.

These forms can be given to your school counselor when filled out or sent directly to David Mills, the GISU Parent Liaison. Please contact David if you have any questions or to send in the paperwork.
