Dear Parents, Guardians & Community members,

Thank you!

We have had our first day of in-person learning for Cohort B students. It was a pretty great start. While there were small hiccups throughout the day everyone worked together and came up with solutions. We appreciate your patience and flexibility as we travel in these uncharted waters. Tonight's Community meeting's focus is a thank you to the faculty, staff, students and community and of course an opportunity to ask any questions or share experiences you have had so far. The access to the Superintendent's weekly Community Meeting is available below.
