### **Purpose**

It is the policy of the Grand Isle Supervisory Union and its member districts to allow the use of security cameras to monitor and record activity in public areas of district buildings and property to improve the safety and security of the district.

### **Scope**

This policy applies to all staff, faculty, students, vendors, contractors, visitors and property of the Grand Isle Supervisory Union and its member districts.

### **General Principles**

1. The use of security camera equipment on school grounds and on other district property shall be supervised and controlled by the Superintendent or designee.
2. The district shall annually notify its students, staff and parents/guardians that security cameras may be in use on any school property.
3. The district shall post signs at each building with security cameras, notifying occupants that security cameras may be in use.
4. Security cameras shall not make audio recordings without prior approval from the Superintendent.
5. Security cameras may be used for live, day and night viewing of buildings and grounds by staff authorized by the Superintendent.
6. The use of video recordings from security camera equipment shall be subject to the other policies of the district, including policies concerning the confidentiality of student records. Video monitoring for security purposes will be conducted in a manner consistent with this policy, labor master agreements and any applicable federal, state and local law. Violations of this policy may result in disciplinary action.
7. Video monitoring of public areas for security purposes will be conducted in a manner consistent with all existing Grand Isle Supervisory Union and its member districts policies, including the Non-Discrimination Policy, the Harassment, Hazing and Bullying Policy and other relevant policies. This policy prohibits monitoring based on legally protected bases outlined in Grand Isle Supervisory Union and its member districts Policies on Non-Discrimination and Harassment, Hazing and Bullying (e.g., race, gender, sexual orientation, national origin, disability, etc.)
8. Security cameras shall be used only to promote the order, safety and security of students, staff and property and to assist school administrators in investigating misconduct by persons on the premises.

If the District becomes aware that a recording is evidence in any kind of disciplinary proceeding, investigation or litigation, the recording must be retained until the matter has been resolved.
10. The District shall keep a log of any persons accessing video images from cameras.
